

**More Spectacular
Than a Dream**

What happened...?

Just before that, I took a photo of my former classmate Koujyu Hikari-chan who attends university near my coffee store.

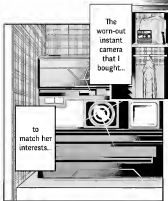

The girl that I've always secretly longed for.

Ahh, that's right. ...We were fighting over a "photo" I didn't want to show her.

I was with my coworker Oshikiri Butsum-san.

3

It's so
soft...

And big...
and has a
beautiful
pink-

おっ中ん...

She's gonna
hate me,
she's gonna
hate me,
she's gonna
hate me,
she's gonna
hate me.

Hikari-
chan's
boob-

I-I-I-I
bounced
it.

Kyou-
suke...
kun?

She's
gonna
hate
me!!

**this
is a
dream**

I've had
these kind
of delusions
everyday in
high school,
so...

No...
This is
even more
spectacular
than I
expected...

I felt that we
wouldn't be
together even
if the world
made a full
revolution...

But, I felt
extremely
distant from
Hikaru-chan
when I was the
only one that
failed to get
into university...

Yeah...
I'm sure
this is a
dream
...!!

I hit my
head earlier
and lost
conscious-
ness!!

Since
that's
the case

If I wake
up, I'll be
in the same
coffee store
as always,

getting
woken up by
Oshiken-san's
touch while
she's shocked

you
wake
up.

Eek
...!!

10

11

So where
in the world
did she fly
off to...?

I saw
Oshikiri-san
in front of me
just before
Hikari-chan
showed up...

I can't
hold it
in any
more...

Not...
good...

Do you
have
any...
experi-
ence...

Kyou-
suke-
kun...

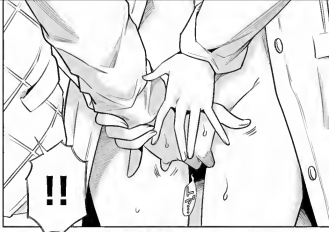

with
sex
...?

If that's
what you
mean, it's
beside the
entrance-

The
wash-
room?

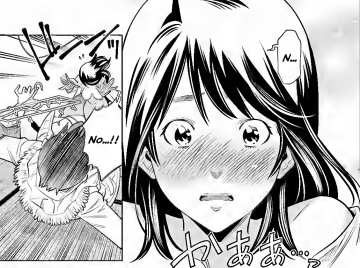

14

Forgive me, Oshikiri-san...

The walls are really thin, so...

I'll be careful next time, yes...

Yes... Sorry ...

You saw it at the break room too, didn't you?

You're still talking about her?!

...So, where's Hikari-chan?

Ye-yeah...

So, that wasn't an illusion...?

She was
photo-
graphed
perfectly
...!!

Your
friend's
Hikari-
chan,
right?

So I have
an old
worn-out
camera
that can
do every-
thing but
develop...

So what
went on
there...?
